Ad Text Bob Miranda-Boulay, Camp Lejeune Marine reservist, suffers serious health issues after exposure to tainted water. And he's not the only one! Approximately 30,000 Marine Reservists may have suffered the same kind of exposure.

Where were the liberals shouting about ecological problems? Why do they care about shutting down the coal industry to avoid mysterious unproved global warming but they don't mind thousands of Americans drinking poisoned water?

Neither the VA officials nor our military commanders helped our Marines and now they just feel abandoned. Bob Miranda-Boulay said 'I don't count' – that is what our veterans feel. That is not an attitude they deserve.

"I wanted to make a difference," Boulay said. "I love my country and I wanted to do the right thing. I wanted to be a Marine." That is a real shame our veterans feel being betrayed by our country leaders.
